

United Van Lines 2006 & 2007

Impact Leader Award

presented to:

Johnson Storage & Moving Co.

UNITED
Van Lines
IMPACT LEADER
AWARD

Johnson Storage & Moving Co. was awarded the prestigious *Impact Leader Award** by United Van Lines in 2006 and again in 2007. The award is based on excellence in household goods cargo claims prevention and encompasses packing, hauling and warehousing. The Johnson organization took this top honor in the largest revenue category, confirming their status as one of the five best United Van Lines agents in the United States.

For more than 100 years, the Johnson family has been in the transportation business. The firm is now owned and operated by fourth generation family members; Mark Johnson & Jim Johnson. From its founding site in Denver, the company has expanded over the past ten decades to nine locations in five states.

**Impact LEADERS are the top five performing agencies in their revenue category with a combined claims liability percentage of at least one percent below the combined system average. We were awarded this in the top revenue category (\$6,000,000.00 plus) along with other fine agents like Barrett, Chipman, Hilldrup and Mohawk.*
